

The online grading system allows adults to get real-time information on the grades and attendance of their students.

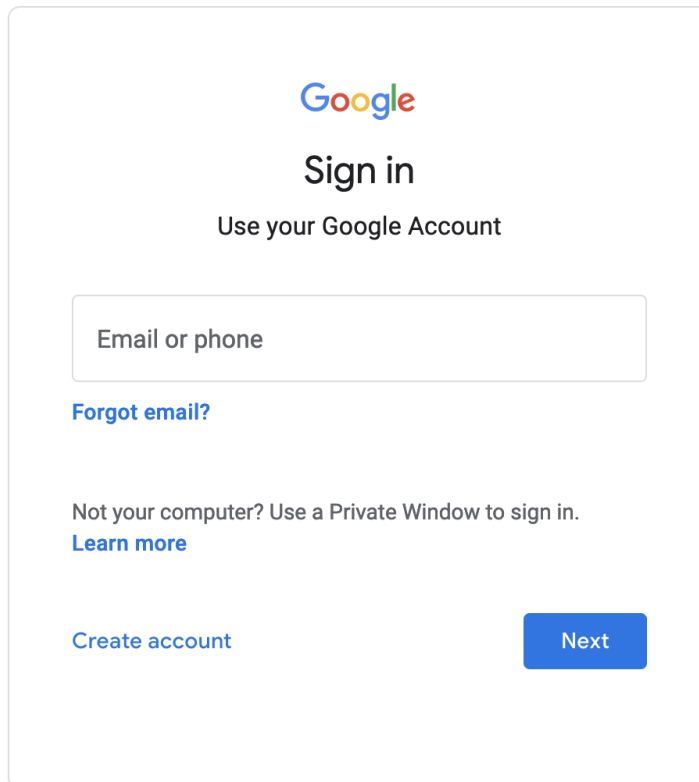

Logging In

Your family account may end in greenfields.org, but it is powered by Google.

Please go to <https://accounts.google.com> to activate your account.

There are now three possibilities.

- If you do **not** have another Google account, you should see a blank login screen. Please enter your Green Fields email and follow the instructions.

The image shows a screenshot of the Google Sign in page. At the top center is the Google logo. Below it, the text "Sign in" is displayed in a large, bold font, followed by "Use your Google Account" in a smaller font. There is a text input field with the placeholder text "Email or phone". Below the input field is a link that says "Forgot email?". Further down, there is a line of text: "Not your computer? Use a Private Window to sign in." followed by a link "Learn more". At the bottom left, there is a link "Create account". At the bottom right, there is a blue button with the text "Next".

- If you have another Google account but are not logged in, you should have the option of adding your Green Fields account.

- If you are already logged into your Google account, first click on your account picture in the upper right hand corner and then add your Green Fields account.

After you have set up your new account, you can now go to <http://grades.allaccelerated.org/> and sign in.

AESS Student Information System

This is the Student Information System for the [A.L.L.](#) and [Green Fields](#) campuses.
Please [sign in](#) using your school account.

Changing Your Password

You can change your password at any time.

Please visit <https://support.google.com/accounts/answer/41078> for more information.

Recovering Your Password

If you ever lose your password, we would be happy to reset it for you.

However, you can also set up a recovery email and/or phone number.

Please visit <https://support.google.com/accounts/answer/183723> for more information.
